+33 6 16 60 29 02 | leo.schmidttraub@gmail.com

Nationalities: French, German, American

EDUCATION

ETH Zürich

Bachelor of Science in Computer Science

Zürich, Switzerland

Sep. 2024 – Sep. 2027 (Expected)

- **First year GPA: 6.0/6.0** (only perfect score in cohort)
- **Current GPA:** 5.98
- **Transcript**

Lycée International Honoré de Balzac

French International Baccalaureate, English section

Paris, France

Jun. 2024

EXPERIENCE

ETH Zürich

Research Assistant at LAS group

Zürich, Switzerland

March 2026 – August 2026

- Investigated different variations of on-policy self-distillation.
- Built a [data generation pipeline](#) and a [verl fork](#) for training.

ETH Zürich

Teaching Assistant

Zürich, Switzerland

Fall 2025 – present

- **Introduction to Machine Learning (Spring 2026):** developing interactive demos presented during lectures
- **Discrete Mathematics (Fall 2025):** mentored 30+ students through weekly exercise sessions and maintained a website with supplementary material ([discmath.ch](#)).

PUBLICATIONS

Geometric Iterative Retrieval for Neural Audio Codec Resynthesis

L. Schmidt-Traub, F. Berdoz, L. A. Lanzendörfer, R. Wattenhofer

ISMIR 2026

[arXiv:2608.19141](#)

- Investigated upsampling strategies for neural audio codecs at the DISCO group.

On Repulsive and Attractive Teachers

Blog post on contrastive self-distillation
